SAFETY TIPS

#1

KEEP SWEETS OUT OF REACH

Call your vet or the ASPCA Poison Control Center (1-888-426-4435) if your pet ingests toxic treats.

#2

PRACTICE COSTUME SAFETY

Costumes shouldn't limit movement, hearing, sight, or ability to breathe, bark, eat, drink or go potty.

#3

WATCH THE FRONT DOOR

Even the calmest pet may try to escape, as too many strangers can be overwhelming and stressful.

#4

DOUBLE-CHECK PET ID'S

A collar and tags and/or microchip can be a lifesaver if your pet happens to escape or become lost.

#5

THROW WRAPPERS AWAY

Aluminum foil or cellophane packaging can cause intestinal blockage and vomiting when ingested.
